Business Relationship Management Professional (BRMP®) aims to provide participants with sufficient knowledge and understanding of the Business Relationship Management role and the organizational capability to create awareness of the role with business partners and senior provider management. The BRM should be able to assess the current state of their business- provider relationships, business demand maturity and provider supply maturity with the objective of scoping what aspects of the BRM role would be appropriate to implement or amend. The participant should anticipate time in the evenings toward review and independent study of the course materials.

EXAM INFORMATION

- 50 questions, each worth one mark
- 30 marks or more required to pass (out of 50 available) – 60%
- 50 minutes
- Closed Book exam

Online proctored exams require a webcam for the invigilator to do the surveillance and verify the candidate's identity.

Exam software will be installed. If you are using an organization's computer, please ensure you have the access rights or IT support. It is recommended to use your personal computer.

You may contact us in advance to obtain the technical guidelines and rules of the exam session.
